BIO

Scott Duffy is an Entrepreneur, Emcee, & Brand Ambassador. He began his career working for best-selling author and speaker, Tony Robbins, and went on to work for several big media brands like CBS Sportsline, NBC Internet, and FOXSports.com. Next, he founded Smart Charter, an online booking tool for private aviation, which was acquired by Richard Branson’s Virgin Group. Scott has spoken at the NYSE and provided commentary in numerous media outlets including CNBC, FOX News, and CBS Radio. He is the best-selling author of LAUNCH!, a blueprint for building great companies, Special Project Editor, Launch @ Inc.com, and Co-Host of The Business & Burgers Podcast.

Scott’s experience with big brands coupled with his days in the trenches as a struggling entrepreneur enable him to deliver real world commentary that can be applied immediately to improve your business.

His style of hosting using fun, engaging, personal experiences is relatable. From the moment Scott steps on stage, he brings an energy, authenticity and passion for life that will resonate through the room, leaving audiences talking about your event for years to come.
